## Mesa Urban Garden Bed Rental & Rates

Mesa Urban Garden (MUG) is a vibrant, sustainable garden space with over 80 beds available to rent. All garden beds are maintained using organic and eco-friendly practices.

- **Rent a bed:** Community members can rent their own garden bed to grow fresh produce, herbs, or flowers. It's a great way to learn, connect, and enjoy the benefits of homegrown food. *An ADA accessible raised bed is available for individuals who use a wheelchair or have other mobility challenges.*
- **Sponsor a bed:** Support your community by sponsoring a garden bed for an individual or family in need or to be maintained by volunteers, with all produce donated to local food banks and shelters.

### Garden Bed Descriptions

Two garden bed sizes, 4' x 6' and 4' x 12', are available for leasing. All are constructed raised beds, and the rental agreement includes the following:

- Premium soil and compost
- Drip irrigation system
- Individual battery-operated water timer
- Water for the entire year
- Access to shared tools and tool storage
- Onsite setup and support
- Site access from sunrise to sunset, seven days a week
- An annual rental period (starting anytime from January through March until the following year)
